## NAIROBI

**Nairobi** commonly referred to as the green city under the sun, is the only capital city in the world that has a national park having wild animals. Nairobi is considered among the fastest growing cities in Africa and houses several multinational organisations such as UNEP and Google Africa headquarters.

Nairobi is also famous for its vibrant city life with a lot of social amenities such as malls, theaters, museums, hotels and restaurants and night life. Nairobi has a cool subtropical highland climate with very cold evenings in June- July.

### **Activities to do in Nairobi:**

- **Bomas of Kenya:** Kenya is known to have more than forty tribes having different languages, songs, dances, culture and taboos. Bomas of Kenya is a center which was constructed to preserve, maintain and promote the rich diverse cultural values of various ethnic groups of Kenya. The center has an auditorium which showcases songs, dances, musical instruments and cultural performance from different ethnic groups in Kenya so that people can learn and appreciate the diversity that exists in Kenya. The center also has different traditional houses from different communities.

## COMMUNITY IMPACT

**Sheldrick Elephant Orphanage:** A very good rescue center runner by David Sheldrick wildlife trust which take care of abandoned and orphaned elephant before releasing them back to the wild.

Here you will get to see the orphaned and abandoned baby elephants, how their feed and taken care off before they mature and become self-dependent and taken back to the wild. We will enroll you into their program called adopt an elephant by paying a one year subscription fee which will be used to buy milk supplement for the adopted baby elephant. You will then have an option to make this an annual contribution by paying USD 50.

## MAASAI MARA

**Maasai Mara** is considered the second best national park in the world. It share the same eco system with Serengeti in Tanzania. It has a lot of wild animals and offers a high chance of seeing the big cats. Migration occurs during July to October where millions of wildebeest migrate from Tanzania to Kenya in search of greener pasture.

### Activity Highlight:

- Explore the wild conservancy landscape, in search of leopards, cheetahs and lions. During migration season, watch as the terrain is flooded with waves of zebras and wildebeest.
- Get an up-close experience of Maasai people lifestyle & fall in love with friendliness of the locals.

## Lake Naivasha

Lake Naivasha is fresh water lake in Kenyan rift valley. It is the breeding site for fresh water fish, birds and wild animals. It offers a unique safari experience where you get to see the animals on a boat.
